

Mapping your world

Directions:

Using your cartography skills create a map of the playground at BLRA. You may do this individually or in pairs. Your map must contain the essential elements of a map that were discussed in class.

Your map must contain the following landmarks: full length of the basketball quart including the baskets, plunger, swing set, the rock, benches, monkey bars, and the doughnut.

You will be graded on the following rubric:

	4	3	2	1
Essential Elements of the Map (Title, Compass Rose, Scale, Legend, etc.)	Four or more elements are present	One item is missing	Two items are missing	Three items are missing
Accuracy of Scale (worth double the points)	90% + accuracy of measurements	80%-90% accuracy of measurements	65%-80% accuracy of measurements	Less than 65% accuracy of measurements
Landmarks	All landmarks are present	One or two items missing	Three or four items are missing	Five or more items are missing
Readability	Easy to use and read. Not busy. Visibly attractive	←	→	Cluttered. Difficult to use. Messy, no color.
